

Don't miss out on FREE money!

You can buy gift cards for your normal purchases
and earn tuition credits at the same time - for **ANY** school!

What is Scrip?

Scrip is a gift card purchased at face value to use at area supermarkets and retailers and/or on the internet. Queen of Peace Parish buys the gift cards at a discount. Each retailer offers various discounts. Seventy percent (70%) of all credits are attributed to YOUR account. Queen of Peace retains thirty percent (30%) of the credits.

How can I use the credits?

You can use your credits in three different ways: (i) lower your tuition costs to any pre-school, elementary, high school, trade school or college; (ii) donate all of your credits to QoP; or (iii) donate credits to a family of your choice or ask that they be donated to a family-in-need. We all have to shop, so why not use your Scrip program?

How do I place an order?

Scrip can be purchased after any Saturday evening or Sunday Mass in the Scrip Room at the handicap entrance-side of the Church; *or* orders and payment can be dropped off at the QoP Rectory; or gift cards can be purchased at any time using the “*Scrip Now!*” option on the GLScrip website (www.glscrip.com). You can then print a gift certificate at your printer or use the gift card directly from your Smartphone's web browser. *Orders received by end of 11:00 Mass on Sunday can be picked up any time after Thursday at 6:30 p.m.* at the Rectory.

How is my tuition account credited?

Tuition credits are issued quarterly and you will receive an email advising you of your of your credit. If the credits are being applied to a QoP PREP or GSC tuition account, one lump check is given to the business manager and you will receive an email as to your credit amount. If your tuition is paid in full, GSC's business manager will issue you a check. All other credit checks (pre-schools, high schools, trade schools, colleges) will be left at the rectory for pick-up.
